

2009 Gopher State Baseball League RULES & REGULATIONS 10-11 & Under AAA/AA

"Best Game in Town!"

The following rules and regulations will govern play in the Gopher State Baseball League (GSBL) for the duration of the 2009 16-game regular season and all-inclusive playoffs. The list of rules and regulations is **NOT** intended to cover all of the playing rules, but rather highlight areas that are referenced most often by the coaches and players. In general, the GSBL has adopted the National Federation of State High School Associations baseball rules, except where modified or clarified below.

I. PLAYER REGISTRATION/ELIGIBILITY

- A. Players in their respective age groups must not reach the next age before May 1, 2009 at 12:01am. It is permissible for a player to play up from their designated age division, but they may not play down. For example, a 10 year old may play in the 11 year old division, but a 12 year old may **NOT** play in the 11 year old division. (USA Baseball, the national governing body for baseball, has adopted this age determining date for all national programs.)
- B. A player may **ONLY** be rostered on one team in the GSBL. There is a roster limit of 18 players per team. Rosters must be submitted online at www.myas.org via the Coaches Control Center no later than **May 4, 2009**. Any requests to add players after May 4, 2009 must be communicated by the association/community travel director and must be approved by the GSBL Board of Advisors. The deadline will be strictly enforced!

II. RESIDENCY

The Gopher State Baseball League is a community-based program. GSBL teams are comprised of players who are from the community in which their parent or legal guardian resides or in which they attend school. The GSBL will recognize a team if they are part of a bona fide association (consisting of multiple teams of perpetual nature) within their boundaries according to their bylaws. Generally, association boundaries are based on a city's limits or a high school district attendance area. The GSBL will not knowingly allow renegade and/or all-star teams to participate in the league. These rules are established to maintain a community-based orientation. The GSBL Board of Advisors reserves the right to rule on any questionable situations.

III. LEVELS OF PLAY FOR 2009

Communities/Associations entering teams in the Gopher State Baseball League (GSBL) at the 10U-15U levels **must enter a AAA team prior to entering any AA teams** at a given age level. An association/community wishing to enter AA teams without at least one AAA team at a given age level is entitled to an appeal through the Gopher State Baseball League Board of Advisors. It is the responsibility of each GSBL member association to uphold the integrity of each level of play offered within the league by properly classifying their teams. Any decision made by the Board of Advisors is not eligible for further appeal if the intent of the policy is upheld. Each decision is in effect for the current season.

“AAA” - This is the highest competitive level in Minnesota. This level of play consists of teams that are comprised of the top players within a local traveling association.

“AA” - This is the intermediate level of play. This level is intended for teams from communities that have already provided teams at the AAA level. AA may also (in some cases) be defined as a level for teams that are not currently able to compete at the AAA level.

IV. FIELD DIMENSIONS FOR COMMUNITY FIELDS

- A. **The following base length is recommended:**
10 year olds: 60 feet
11 year olds: 60-65 feet (GSBL recommends 65')
- B. **The following pitching distance is recommended:**
10 year olds: 46 feet
11 year olds: 46 feet

NOTE: For a variety of reasons, the base and pitching rubber distances vary in length from one city to the next. Be prepared to be flexible, but **do not** compromise safety.

Portable mounds will be allowed for 10-13U league play. It is required that the home coach contact the opposing coach if you are using a portable mound on your home field.

V. EQUIPMENT

- A. **Shoes:** Players in the 10-11 year old leagues may only wear molded cleats or tennis shoes.
- B. **Bats:** The following pertains to the legality of bats in the GSBL.
In diameter at the thickest part..... 2-1/4, 2-1/2, 2-5/8 , 2-3/4 or less
In length.....Unlimited
In weight.....Unlimited

A bat rule does not apply for 10-11 year old teams in the GSBL. However, other organizations may enforce a (minus 9) bat differential at tournaments. Please be aware of the differences when you are purchasing your bats for the 2009 season.

- C. **Baseballs:** Each team must supply one new baseball for the start of each game (additional baseballs to be supplied alternately as needed). The official baseballs for the MYAS/GSBL are Diamond and are available for sale at www.myas.org.

VI. GENERAL RULES

- A. 10-minute mandatory warm-up for infield practice
 - 1. The home team will take the infield at 30 minutes before game time.
 - 2. The visiting team will take the infield at 20 minutes before game time.
 - 3. The last 10 minutes is for pitchers to get ready and for coaches and umpires to have a pregame.
 - 4. The outfield will be used for batting practice with wiffle balls or fly balls for outfielders.
- B. The home team will keep the official GSBL scorebook.
- C. Line markings and bases are the responsibility of the home team.
- D. "Uniforms of all team members should be of the same color and style" (NFHS Rules Book 1-4-1).
- E. A courtesy runner (the last runner to be put out) will be allowed only for the catcher and only when there are two outs. **Projected substitutions are not allowed.**
Exception: Courtesy runners for an injured player will be the player making the most recent out (NFHS page 66 Suggested Speed-Up Rules).

VII. SUBSTITUTION RULES

- A. Continuous batting and free substitution (except pitchers) will be used in all GSBL 10-11 year old leagues. This rule applies to both AAA and AA leagues.
- B. Any pitcher may re-enter the pitching position **ONCE** during the game.
- C. Each team's lineup must list a minimum of nine players to start a game. A game will be forfeited to the offended team when a team is unable to provide nine players to start the game or cannot provide eight players to finish the game (NFHS Rule 4-4-1f).
 - 1. An out will be called at that spot in the batting order if a team drops below nine players.
 - 2. A "rostered" player may be placed at the end of your lineup if he/she is not present at the start of the game (this applies to teams that start a game with nine players).

VIII. PITCHING RESTRICTIONS

- A. A pitcher may pitch a maximum of **three innings per game and a maximum of nine innings per week**. This restriction applies only for GSBL regular and post-season games. **PENALTY:** Violation of the above rule will be subject to review by the Board of Advisors resulting in a potential forfeiture of the game in question or a coach's ejection. **DEFINITIONS:** A week consists of Sunday through Saturday. One pitch in an inning constitutes an inning pitched.
- B. **NEW FOR 2009:** Coaches must submit/input the jersey number and number of innings pitched for each player who pitches during a regular season league game. Each jersey number and number of innings pitched will be submitted to the Coaches Control Center or the TellScore Inc. score reporting system. **Simply call (952) 470-0241 or input the "innings pitched" in the Coaches Control Center within 24 hours after each game is completed.** This information will be public information and will be available in the league schedule and standings.
- C. Curve balls will **NOT** be allowed in the 10-11 year old divisions.
 - 1st offense: Dead ball – umpire issues a warning and the pitch is declared a "No Pitch"
 - 2nd offense: Dead ball – pitch is called a ball
 - 3rd offense: Dead ball – pitch is called a ball and the pitcher is removed from the pitching position for the remainder of the game.
- D. Balks – The only balk to be called in the 10-11 year old divisions will be a fake pitch; this balk will result in a dead ball and all runners advancing one base.

NOTE: Stresses on a pitcher's arm are caused from overuse, lack of conditioning, improper mechanics of pitching and lack of understanding of proper recovery time.

IX. PITCHING RECOMMENDATIONS BY

Pitch Counts by Age

8 – 10 yrs old	50 pitches/game	75 pitches/week	2000 pitches/yr
11-12 yrs old	75 pitches/game	100 pitches/week	3000 pitches/yr
13-14 yrs old	75 pitches/game	125 pitches/week	3000 pitches/yr
15-16 yrs old	90 pitches/game	<i>*see below for number of recommended rest days</i>	
17-18 yrs old	105 pitches/game	<i>*see below for number of recommended rest days</i>	

Specific Pitch Type - Recommended age to begin throwing different types of pitches

- Fastball - 8 yrs old
- Change-up - 10 yrs old
- Breaking Balls should not be thrown until puberty

Recommended Rest/Recovery Days – The recommended number of days of rest is dependent upon the number of pitches thrown in their previous outing. This rest time allows the pitcher’s arm to recover prior to pitching again.

Medical & Safety Advisory Board recommendations for number of full days rest

Age	1 Day	2 Days	3 Days	4 Days	(Full days recovery)
8-10	20	35	45	50	(Pitches)
11-12	25	35	55	60	(Pitches)
13-14	30	35	55	70	(Pitches)
15-16	30	40	60	80	(Pitches)
17-18	30	40	60	90	(Pitches)

Other General Recommendations

A Pitcher should not return to the mound in a game once he/she has been removed as the pitcher.
 A Pitcher should not be moved to the catcher’s position in the same game they are pitching (due to repetitive throwing).
 Pitchers should only participate in baseball for nine months per year. For at least three months per year, a baseball pitcher should not play any baseball, participate in throwing drills, or participate in other stressful overhead activities (javelin throwing, football quarterback, softball, competitive swimming). Pitchers should stop pitching when they report arm fatigue.

X. UMPIRES

All umpires in the 10-11 year old leagues will be scheduled and supplied by the home community, **NOT** by the Gopher State Baseball League.

NOTE: When assigning umpires for 10-11U league games, the GSBL requires that each association/community assign individuals who are a minimum of four years older than players on the teams they are umpiring. This requirement is the responsibility of the Association President and/or Travel Director. **Every home coach needs to verify each game with the umpire assignor for each game.**

Umpire training is available for all Gopher State area umpires. Please check out the MYAS website under the Officials Corner.

XI. BASE RUNNING

10 year old leagues - A runner may lead off/and or steal after the ball crosses the plate. EXCEPTION FOR 10 YEAR OLD LEAGUES AS OF MAY 15, 2009: **On a passed ball from a pitcher, a runner occupying 3rd base may not steal home.**

The only opportunities a runner occupying 3rd base may advance HOME are the following:

1. A batted ball
2. An attempt by any defensive player to pick off and/or retire a runner occupying a base.

REMINDER: This is a GSBL rule and may not apply at weekend tournaments.

- A. **11 year old leagues** - A runner may lead off and/or steal after the ball leaves the pitcher's hand.

The intent of the base running rule is to lead off and/or steal immediately following the ball crossing the plate or the pitcher's hand.

- B. In the 10-11 year old leagues, a batter may **NOT** attempt to advance to first base on a dropped third strike. Runners already on base may advance at their own risk.
- C. A player sliding head first into home plate will be called out.
- D. Interference (NFHS Rule 2-21)

Offensive interference is an act (physical or verbal) by the team at bat:

1. which interferes with, obstructs, impedes, hinders or confuses any fielder attempting to make a play; or
2. when a runner creates malicious contact with any fielder, with or without the ball, in or out of the baseline; or
3. a coach physically assists a runner during playing action

- E. Obstruction (NFHS Rule 2-22)
1. Obstruction is the act (intentional or unintentional, as well as physical or verbal) by a fielder, any member of the defensive team or its team personnel that hinders a runner or changes the pattern of play.
 2. A fake tag is considered obstruction.

XII. GAME LENGTH

(Please refer to Rule 4 of the NFHS Rule Book for proper procedure)

- A. Completed games are **FINAL** after six innings. In the event of a tie, extra innings are allowed based on weather conditions, field conditions and/or daylight (NFHS Rule 4-2).
- B. Ties will stand after curfew or darkness. Try to make every effort to complete the game but do not risk injury due to darkness. To insure the playing of the full six innings, hustle between half innings and retrieve all foul balls in a timely manner. It is ultimately the judgment of the umpire to determine if the game should be completed or allowed to continue.
- C. The 10-run rule will take effect after 3-1/2 innings if the home team is ahead and 4-1/2 innings if the visiting team is ahead.

XII. GAME LENGTH (continued)

- D. If weather or darkness interferes with play so the game is called by the umpire, it is a regulation game (modified from the NFHS Rule Book 4-2-2):
1. after 3-1/2 innings if the home team is ahead, or after four innings if the visiting team is ahead.
 2. if more than four innings have been completed.
- E. If a game is called when the teams have not had an equal number of completed turns at bat, the score will revert to the score at the end of the last completed inning unless the home team, in its half of the incomplete inning, scores a run(s) and equals or exceeds the opponent's score. In that case, the final score will be recorded as the score when the game is called (NFHS Rule 4-2-3).
- F. If weather or darkness interferes with play so the game is called by the umpire but does not reach a regulation game, then it is considered an incomplete game and it will be completed at a later date. The game must be **rescheduled** 24 hours after it was suspended. Please remember that the umpire's final decision on weather or darkness cannot be questioned and is a judgment made by them alone with no persuasion from a coach (NFHS Rule 4-3).

XIII. STANDINGS

- A. The Gopher State Baseball League will maintain current standings, schedules and all pertinent league information at www.myas.org. League information will be located in the GSBL portion of the website.
- B. Both coaches must call or submit/input their completed game scores to the GSBL Coaches Control Center or the Tell Score Inc. score reporting system. **Simply call (952) 470-0241 or input score(s) in the Coaches Control Center within 24 hours after each game is completed.** The system helps ensure an accurate score for each completed game.
- C. **Teams will be contacted if scores are not reported and will be assessed a one-point penalty to their standings if non-reporting occurs more than once. It is imperative that both coaches report their scores within 24 hours of the completion of each game.**

XIV. REGULAR SEASON POINT SYSTEM AND TIE-BREAKERS

Gopher State Baseball League standings are computed by a point system. Each team will receive four points for a win, two points for a tie and one point for a loss. Deductions will be made to your points if your online roster and/or code of conduct are not submitted by the deadline.

Ties in the standings following the completion of the regular season will be broken by the following procedure:

- 1) Head to head competition
- 2) Best winning percentage (games won divided by games played)
- 3) Least runs allowed
- 4) Most runs scored
- 5) If still tied, a one-game playoff will determine the winner (time permitting)
- 6) Coin flip

XV. GSBL PLAYOFFS

A. Playoff Format:

1. Divide Tiers into multiple Sections based on geographic area. The GSBL will use the same format as the MSHSL uses for playoff sections to eliminate travel.
2. Division Champs will be the highest seeds regardless of record.
3. The GSBL will allow for flexibility when determining where to place teams (Tier I or Tier II) at the .500 or above winning percentage.

Seeding for the GSBL playoffs will be determined based on the league standings and points accumulated as of July 1, 2009 at 12:01am. Any games played or reported after this date will not count toward the playoff standings.

NOTE: If a team's season is not completed by the final play date, each unplayed game will be counted as a loss and only one point will be awarded toward the season point total. This ensures that all teams will be seeded into the playoffs accurately by having the same number of games played.

Seeding and playoff matchups will be available on our website by 12:00pm on July 2. If you feel there is a problem with the playoff matchups and/or seeding, please contact the league office. **If you are a higher seeded team in the playoffs, please be available for a phone call** from the GSBL/MYAS headquarters on July 2, or your playoff game will not be scheduled.

Please do not call the GSBL/MYAS office; we will call you!

All dates, times and locations for the playoff matchups will be available on our website on July 6, by 12:00pm.

B. Playoff Dates:

Playoffs will begin on July 7-8. **NO EXCEPTIONS!**

The top half of the teams in each division (i.e. West, East and Central), based on record and any tie-breaker scenarios, will be placed into a single elimination playoff for the Tier I Championships. The remaining teams in each division will be placed into a single elimination playoff for the Tier II Championships. **Playoff games that have been officially scheduled and communicated will be posted on www.myas.org no later than 12:00pm on July 6.**

C. Playoff Game Times: **All playoff games will begin at 6:00pm unless lights are available.** Games need to be finished the night of the game.

D. Playoff Locations: Games will be played at the site of the highest seed pending field availability. **Because of time constraints, if the higher seeded team cannot provide a home field for the assigned days for play, the opposing team will be given the opportunity to host that particular game if they can supply a field.**

Championship games will be played at a neutral site selected by the league office.

XVI. USSSA WORLD SERIES & GSTC Qualify through league play

- A. The **TOP** team from each age/level/division (i.e. 11AAA West) in the Gopher State Baseball League will automatically earn a berth to the **Gopher State Tournament of Champions (GSTC)** on July 10-12 or July 17-19 depending on the team's age and level of play.

If the TOP team has already earned a berth to the GSTC, a berth may be passed down to a team in second place based on availability or space.

- B. The top **TWO** teams in each division will also be offered a berth to their designated **USSSA World Series** in July. If the top **TWO** teams in a division that are USSSA World Series eligible have already earned a berth through the USSSA State Tournament, the berths will then be passed down as far as the fourth place team within a division. A team placing fifth in a GSBL division is not eligible to receive a berth to the USSSA World Series.
- C. **The league standings based on each team's winning percentage in their division (games won divided by games played) as of 12:01am on June 22, 2009 will be used to determine berths as explained above.**
- D. The qualifying teams will receive a congratulatory e-mail and/or phone call and official entry forms for the GSTC and/or USSSA World Series. If a team chooses to participate in the GSTC, they must communicate their intentions by submitting the entry form and fee to the Gopher State Baseball headquarters no later than June 23, 2009 at 4:00pm. This deadline needs to be met to ensure your spot into the Tournament of Champions. If you would like to accept your berth to a USSSA World Series, please contact Dawson at dawson@myas.org.

XVII. BENCH AND FIELD CONDUCT

- A. All players and coaches must sign a Code of Conduct prior to the start of the season. All participants in the GSBL will be held responsible for their actions during league play. The Code of Conduct must be submitted via fax to the league headquarters at (763) 781-1922 by **May 4, 2009. THE DEADLINE WILL BE STRICTLY ENFORCED!**
- B. All players, coaches and spectators are to behave in a manner that reflects the positive fun associated with the game of baseball. **Unsportsmanlike conduct will not be tolerated, and includes but is not limited to (modified from the NFHS Baseball Rules Book, Rule 3-3):**

- Verbal abuse
- Physical aggression
- Tantrum-like acts

- Arguing judgment calls of umpires
- Profanity

XVII. BENCH AND FIELD CONDUCT (continued)

- C. Any player, coach or spectator ejected from a game due to unsportsmanlike conduct as listed above will be removed from the vicinity of the ballpark immediately. Failure to comply with the ejection in a timely manner will result in the game being forfeited. Anyone ejected during a league game will be immediately suspended for the remainder of the 2009 season, pending an appeal to your home association's Board of Directors.

A hearing may be scheduled with the home association/community to determine the future of the player, coach or spectator that was ejected. The decision on reinstatement back into the league by the home association/community will be upheld by the GSBL Board of Advisors.

- D. A second game disqualification does not warrant an appeal and will result in suspension from the remainder of the team's regular season and playoff games. Please keep in mind that you are participating in youth baseball. Therefore, unsportsmanlike conduct will **NOT** be tolerated.

NOTE: If any unsportsmanlike conduct is displayed during a league game by a coach, spectator or fan, please notify your association's Travel Director. This must be done before contacting the GSBL. Contact information for Travel Directors is available in Tab 1 of the Official Coaches' Handbook.

XVIII. PROTESTS

- A. Protests must be made verbally with the umpire by the offended team at the time of the play and before the next pitch. A fee of **\$100.00** cash (refunded if upheld) must accompany the protest. All decisions of the GSBL/MYAS and the GSBL Board of Advisors are final.
- B. No protests will be allowed in matters involving solely the official's judgment. Only decisions involving the misinterpretation or misapplication of a rule may be protested.

XIX. GAME CHANGES/CANCELLATIONS

Any game changes or cancellations reported to the GSBL via e-mail at dawson@myas.org, tony@myas.org or jbarbe@myas.org on weekdays by 3:15pm will be posted on our website at www.myas.org by 4:00pm the same day. It is the responsibility of the home team coach to notify the visiting team of the cancellation. If the league office is not notified of a cancellation of a game, it will be assumed that the game is still on as scheduled. For details on the Game Cancellation System & Procedure as well as rescheduling fees, please see Tab 6 of the official Coaches' Handbook.
